ABOUT TODAY

(1-3) DAVID BIZZARO Workshop (CLICK [HERE](#))

(3-4) Puppets in the STREAM: Education Panel (CLICK [HERE](#))

Learn how to develop puppetry-based curriculum for today's classroom with a focus on STREAM (Science, Technology, Reading, Engineering, Art and Math).

Presenters: Sarah Bourne; Dona Davis; Michael Lamason.
Moderated by Schroeder Cherry.

(5-630) Potpourri (CLICK [HERE](#) or SIGN-UP [HERE](#))

The Potpourri is an open mic for puppetry. It can be new, it can be old, just make sure it's family friendly and under 5 minutes.

If you don't have an act but you have a puppet you'd like to share, our host, the infamous **PETER COURT** is ready to give your puppet an interview!

(630) Birthday Huzzah in Lobby (CLICK [HERE](#))

Come say hello to new friends and familiar faces as we cut the cake in honor of Dino's Birthday.
